

PREVIOUS LAND USE DECLARATION

Name of Previous Site Grower / Producer:	Name of Person Seeking Certification:	County of Site:	Certification #	Site # (office use)
Location of Site (Street Address, GPS Coordinates, and/or Township, Range, Section):			Acreage:	

This form is to be completed by the previous landowner/farmer who also managed the site in the last 12, 24, or 36 months. If this site was certified by the WSDA Organic Program last year, submit the organic or transitional certificate instead of completing this form.

1. When did you manage this site? Start date (month/year): End date (month/year):

Indicate all types of production and activities that occurred while under your management within the last 12, 24, or 36 months. Include which year the production occurred and number of acres in production.

Crop Category	Dates Produced	Acreage	Crop Category	Dates Produced	Acreage
Apple			Nuts		
Berries			Pasture		
Grains			Pears		
Grapes			Stone Fruit		
Hay/Silage			Vegetable		
Herbs			Non-productive		
Other (Please Specify):					

2. Were any seeds treated with allowed or prohibited substances planted on the site in the last 12, 24, or 36 months while under your management? ☐ Yes ☐ No
a. If yes, please provide the brand name of the treatment and date the seed was planted.

3. Have any materials (fertilizers, soil amendments, pesticides, etc.) been applied in the last 12, 24, or 36 months while under your management? ☐ Yes ☐ No
a. If yes, please provide the individual applying for certification of this site a copy of your material application records so they can have them available at their organic inspection. Records should indicate the complete brand name of the material applied and date of application.

I attest the information provided is true and accurate:

Signature of previous grower / producer
